

**Nationwide**<sup>®</sup>  
is on your side

**Our grain bin safety mission:**

# Zero lives lost

Our goal is to raise awareness of the hazards of working around grain bins and grain-related structures, and to help reduce the number of preventable injuries and deaths associated with grain-handling and storage.

**Learn more. Do more. Save more lives.**

**By becoming a Grain Bin Safety Week sponsor, your donation can help fire departments and first responders be better equipped to save lives.**

## Many hazards can come from working around grain bins and grain-related structures.

**546**

documented entrapments between 2007-2022<sup>1</sup>.

**41**

years — Average age of grain entrapment victim<sup>1</sup>

**49%**

of confined space accidents occurred on farms in 2022<sup>1</sup>

**4**

seconds — Adults can sink knee deep in flowing grain and cannot free themselves<sup>2</sup>.

**20**

seconds — An adult can become completely buried with little hope for survival<sup>2</sup>.

**100%**

of grain bin entrapments are preventable

Many fire departments lack the specialized rescue techniques and equipment necessary for a successful grain bin rescue. Through your generosity, not only will you help your local community and fire department, you can also help save lives.

**2014**

first year of Grain Bin Safety Week
